Consolidated Communications Operator Services, Inc. ("CCOS" or "Transferor") and Consolidated Communications Network Services, Inc. ("CCNS" or "Transferee") (to be known as Consolidated Communications Enterprise Services, Inc.) ("CCES") has filed with the South Carolina Public Service Commission ("Commission") an Application for authority to transfer the Certificate of Public Convenience and Necessity to provide operator assisted telecommunications services from CCOS to CCNS, pursuant to an internal reorganization. The Applicants state that the internal reorganization involves no change in the ultimate ownership or control of Applicants' operations and that customers of CCOS will continue to receive the same quality services they currently receive without any changes to the service offerings, rates, or terms and conditions. CCNS seeks to obtain issuance of a Certificate of Public Convenience and Necessity in its own name. In addition, at the time of this internal corporate restructuring, CCNS's corporate name will be changed from Consolidated Communications Network Services, Inc.
